

BOO!! HIYA  
THERE WE ARE  
THE CREATORS  
OF THIS WEB  
APP!!

Tis' me Elizabeth, nice to meet you! This web app was created as a way to not die of boredom. We can go exploring when we are bored. Well... they can cause ain't nobody got time for demons, possessed being, and all that jazz!

Hi, I'm Yuritz and I agree with Elizabeth. I'm not getting near any of these places. They are haunted!! No way am I going to be possessed!

What's up?  
Yanet here. Also you guys know we are exploring these places for our project, right?

Hello I'm Hannah. I'm so excited to go exploring! I have everything ready

THE HELL YOU MEAN WE ARE  
GOING EXPLORING? I DON'T  
ACCEPT THIS WHAT IF I DIE?!  
I'M NOT READY TO GO TO  
HEAVEN. -ELIZABETH

Heaven? Please if  
anything you are  
going to hell but  
don't worry I'll see  
you there. - Yanet

I'm not  
prepared to  
go exploring!!  
-Yuritzi

It's alright I got  
all the things we  
need in this bag.  
You don't need  
to prepare. -  
Hannah

Uhhh... I meant  
mentally prepare.  
What if we actually  
find a ghost?!! Like  
Elizabeth said what if  
we die? I can't die yet  
I still need to listen to  
more BTS. Don't make  
me go!! -Yuritzi

WE WON'T DIE, AND IT'S PROBABLY NOT THAT SCARY WE WILL BE WITH YOU THE WHOLE TIME. PLUS WE ARE GOING DURING THE DAY. WE ALSO HAVE FLASHLIGHTS FOR WHEN IT GETS TOO DARK. THE SOONER WE GET THERE THE MORE DAY TIME WE HAVE TO EXPLORE. -  
HANNAH

I can't I am allergic to haunted places!!! Like really allergic!!! -  
Elizabeth

Stop being a scaredy cat! -  
Yanet

Fine. -  
Elizabeth

And so the adventures began...
